HEART and HOME PROBLEMS

MRS. ELIZABETH THOMPSON

Dear Mrs. Thompson: (1) Is it proper for girls and boys of 14 and 15 years of age to play kissing games?

(2) Who nice skating, is it proper to skate with any strange boy that asks you?

(3) I am taking Spanish in high school. Do you think it will ever become popular in the United States?

TOMBOY.

(1) Such amusement is decidedly bad taste. Young people now have so many interesting subjects to talk about; they are educated in so many lines and have so many accomplishments that it is difficult to believe there are any left who indulge in antiquated games like "pillow" and "postoffice." Parents should use every effort to discourage the playing of such games.

(2) No. A girl should not have anything to do with a boy unless she has been formally introduced to him. If she does he will regard her lightly and without respect.

(3) Many opportunities in the business world are open to the student of Spanish. It will never become popular for conversation.

Dear Mrs. Thompson: (1) I have been going with a boy for about one month and a half, and we have been together about twice out of each week. Three has never been any understanding whatsoever between us. He has not asked me for "steady company," but judging from facts he must have taken it for granted that we are keeping company. Is this all right or should he have asked me?

(2) There was a dance and as he did not ask to take me and another boy did, my girl friend and I went with him. I did not give the boy with whom I went a definite answer until the last possible hour, so did not mention it to my friend. About the middle of the evening my friend came up to the dance hall. He saw me and talked very pleasantly to me, but that was before he knew whom I was with. He did not dance, and he thought that perhaps I had gone with a crowd of girls and he came up to accompany me home. When he stated this to me I told him I

yesterday afternoon, the usual three tables of 500 being played. Mrs. Kimbel, Mrs. Ada Wynn and Mrs. Martha Ranson were the prize winners. The house was beautifully decorated in observance of George Washington's birthday, with flags, cherries, hatchets, etc. After the games the ladies were invited to the dining room where Mrs. Kimbel served a delicious chicken dinner. Place cards and table decorations were in keeping with the day. Mrs. Arthur McNeill on Fourteenth and a half street will be the next hostess, entertaining in two weeks.

HOUSEHOLD HINTS

NEW LENTEN DISHES.

Nut and Cheese Roast—One cup of grated cheese, one cup English walnuts, one cup bread crumbs, two tablespoons chopped onions, one tablespoon butter, juice of half a lemon, salt and pepper. Cook onion in butter and add a little water till tender. Mix other ingredients and moisten with water (use water in which onion has been cooked). Pour into shallow pan and bake in oven.

Cheese and Spinach Roll—Take two quarts cooked spinach, add one tablespoon butter and chop. Add one cup grated cheese, two eggs and bread crumbs enough to make mixture sufficiently stiff to form into a roll. Bake in a baking dish.

Fried Cheese Balls—Take 1½ cups grated cheese, one tablespoon flour, whites of three eggs, salt, pepper, cracker dust. Beat whites of eggs, add other ingredients, make into balls, roll in cracker dust. If amount of flour is doubled the mixture may be dropped from a spoon and fried without being rolled in crumbs.

THE TABLE.

New and Excellent Casserole Dish—Cold roast beef cut small; cover with water or stock, add chopped onion, parsley, carrot, tomato and celery. Let simmer an hour. Thicken with flour. Season with butter, pepper, salt and a few drops of Worcestershire sauce. Brown with a little kitchen bouquet.

Sweet Muffins—Cream one-fourth cup butter, add one-fourth cup sugar and one egg beaten light. Sift three level teaspoons baking powder in two cups flour, mix with three-fourths cup milk. Rub gem pans with lard or butter. Fill not over half full and bake about 25 minutes. Less sugar can be used if not liked sweet. These little cakes are as light as feathers.

Ham and Potatoes—Have ham from one-half to three-fourths inch thick. Cut ham in pieces to serve, place in bottom of baking pan and cover with diced raw potatoes two or more inches deep (according to the size of the pan). Add pepper and just cover with milk. The ham will salt the potatoes. Bake one hour in moderate oven.

Raisin Cookies—One cup granulated sugar, one egg, one-half cup lard or butter, one-half cup sweet milk, one teaspoon vanilla, one teaspoon soda, two teaspoons cream tartar, 3½ cups flour. Filling: Two cups ground raisins, two tablespoons flour, one cup water. Boil until thick.

THINGS WORTH KNOWING.

Do not cover frying pan when frying fish, as it makes fish soft. Snapping gloves together through a buttonhole of a jacket is an excellent way to keep from losing them.

Butter-Saving Recipe—Take a small quantity of butter and mix with it as much sweet milk as it will absorb. (Mix well, adding small amount of milk at a time). This will increase the amount to about twice the original, and consequently one pound of butter will take the place of two. (Mix milk with butter just before using).

A pinch of ginger added to the batter of fritters or the dough for crullers and doughnuts will prevent the soaking of fat. A pinch of ginger blended with sausage meat will make it harmless to delicate stomachs.

Punch holes in both ends of an empty baking powder can to keep scraps of soap in. This is handy for washing dishes, as the soap cannot come in direct contact with them, and in this manner every scrap of soap can be utilized.

To Clean Dress Goods—Clean all kinds of black goods by sponging with very hot vinegar. Then cover with cloth and press on right side of goods. A cloth wet with alcohol rubbed on

white scap will clean all kinds of goods. Add cup of salt to one quart gasoline, shake well. Lay soiled garment on blotting paper, wet cloth with mixture and rub garment. Leaves no ring.

When crepe de chine waists begin to turn yellow from repeated washing, they can be tinted a pretty shade of flesh color or pink by soaking the red mosquito bar from peach baskets in warm water, adding enough of this to the rinse water to make the desired tint. Wash waist, dry thoroughly, then dip into coloring. Do not wring, but press gently. Allow to dry before ironing. It is best to dry on a coathanger to avoid streaking.

WHIPPED CREAM BUTTER.

Take one cup good cream (sweet) and one-half pound butter, one tablespoon salt. Place in a whipped cream whip. Whip a few minutes. When you remove it you should have a pound of good butter if made the right temperature before beginning to whip. Do not try to work butter over, as in the old way of churning, but simply empty out into a dish. It will cut out in nice slices when cold.
